Re: BORIS FEINER

It is with great pleasure that the Society I chair, ILAMS, has invited The talented Israeli pianist BORIS FEINER to perform at two prestigious concerts during the month of August 2004.

The first concert is in the centre of London, at St James's Piccadilly, On 6 August and the second concert at the Pwllheli Art Gallery in North Wales, ON Saturday 14 August.

The first concert ILAMS is presenting in association with the Beethoven Piano Society of Europe (President Alfred Brendel).

We hope that the British public has once more the privilege of hearing the brilliant Boris Feiner perform.

With all good wishes,

Yours sincerely,

ALBERTO PORTUGHEIS

Chairman
