

TO WHOM IT MAY CONCERN

It gives me a great pleasure to recommend **Boris Feiner** who is one of the most talented young pianists I have come across in recent years.

I know Boris for more than six years and I was always impressed by his musical instincts, his high intelligence and thorough musicianship. Being a composer himself he has a keen sense for understanding form in any musical style and his abilities to render a convincing interpretation of any piece ranging from Baroque to Contemporary is amazing.

Boris Feiner rightly deserves any help you can extend him. I'm sure he will become a professional musician of the highest level.
